

Video Tutorial W1 is prerequisite

I use Godaddy for all domain buys.

Why?

Bulk registration/search - trick to not go into buying;

Domain name doesn't mean you have a website, see Video Tutorial W3 for that - Getting Shared Hosting at Godaddy;

Registration of domain names is for a minimum 1 yr.

Some SEO power to be gained by registering for 3+ years?;

Registering at GD and having hosting somewhere else;

Godaddy Coupons; Private registration; Domain Dashboard; Changing DNS or registration info;

Killing auto-renew. Godaddy at end of year they remind you to get it. Get it before expires or they add some money to it once it goes past registration deadline.
